

TAPARIA TOOLS LTD.

AN ISO-9001 COMPANY

HEX BLADE TWO IN ONE SCREW DRIVERS

★ **HANDLE** made from high grade Cellulose Acetate plastic to withstand long life even under severe working conditions.

► Bigger size handle provides more ergonomic and firm gripping.

★ **BLADE** made from high grade alloy steel.

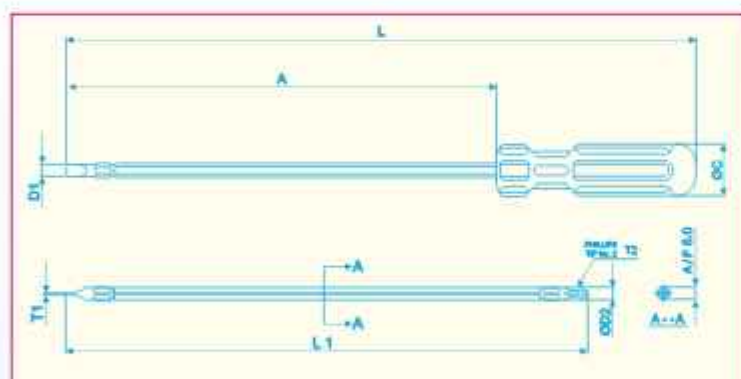

► Hexagon section of the blade helps withstand higher torque.

► Precision machined tips for firm fitment with screw heads.

► Blade body with NiCr plating and tips with Brown finish help prevent rusting.

★ **COLLET** made from Solid section enables higher torque and long life.

► Accurately heat treated ball and spring assembly in the collet provides firm gripping of blade.
